About the CSC T.I.P.S. Program

What you can expect:

T.I.P.S. stands for "Technique", "Intelligence", "Personality", and "Speed".

Based on the LYSA/CSC Player Development Curriculum, the T.I.P.S. program is designed to develop young players' technical and ball mastery skills as well as to introduce them to small group tactics that are instrumental in player development. The program targets boys and girls ages 6-8 years old. T.I.P.S. serves as an excellent opportunity for LYSA recreational players to be introduced to a professionally structured training environment and LYSA's select program, Cajun Soccer Club. These sessions serve as an additional, supplementary training session each week during the recreational season.

What to Bring:

- Water bottles
Soccer ball
Shin guards

Cost: \$50.00 for six (6) training sessions (includes t-shirt)
