2018 Spring Season Recreational Reschedule Procedure

The Lafayette Referee Association uses Game Officials match scheduling software and as such, we do not have the luxury to be lenient with our reschedule policy. The Referee Association uploads all games, assigns them, and referees accept the assignments; therefore, all changes must be made in accordance to these guidelines.

1. All 2018 Spring Recreational Season schedule change requests must be submitted in writing to lysaschedules@gmail.com. Requests not sent to this address will not be honored as it is too difficult to track these changes through multiple accounts.
2. If you are unable to play on the first weekend of the 2018 Spring Recreational Season (Saturday, February 17th) please notify us on or before the pre-season Recreational Coaches Meeting on Saturday, February 3rd, 2018.
3. Prior to submitting the schedule change request, both coaches involved must have agreed to the change and be copied on the email request.
4. The DEADLINE for all schedule requests for the entire season will be Sunday, February 25th, 2018 at 11:59 PM. Any requests that are received past this deadline will not be honored.

If you have any questions regarding the reschedule policy, please contact the office via email at lysaschedules@gmail.com.

2018 Spring Season Recreational Game Cancellations

All games that need to be cancelled must also be submitted to the lysaschedules@gmail.com email address. Game cancellations impact the referee schedule and must be submitted to the Referee Association on the Wednesday prior to any games scheduled the following Saturday through Friday. Cancelled games WILL NOT be rescheduled.

2018 Spring Season Recreational Game Rainouts

All games that are not played due to inclement weather or any other such reasons by the Lafayette Youth Soccer Association will be postponed and scheduled to be played on the assigned Rainout date(s).
